## WHO WE ARE

### About Australian Shareholders' Association

ASA is a not-for-profit organisation that enhances the financial literacy of retail shareholders and stands up for their rights at AGM meetings. Join us now to expand on your investor knowledge, meet like-minded people, and protect your shareholder rights.

### Protecting shareholders' rights

ASA champions advocacy by standing up for shareholders' rights and amplifying their voices on shareholder matters. We encourage members and non-members to submit their proxies to us so we can represent them at upcoming AGMs.

Education is a pivotal foundation of ASA. We provide high-quality educational resources that can help enrich your investor knowledge and investment skills. Join now to receive our monthly Equity magazine, discounts on events, and access to free member meetings and webinars.

### Joining a community of like-minded investors

We provide you with access to a thriving investment community where you can engage with new ideas, build relationships, and learn from like-minded investors. Local member meetings are free for current members.
